LAB

Empowering entrepreneurs

CEU iLab is the startup
incubator of Central
European University

CEU is a private US university with campuses in Vienna and Budapest. It gives access for startup teams to three markets at the same time: the US, Austria and Hungary.

CEU iLab makes entrepreneurship more accessible by providing mentoring, know-how, network and a community for high-impact teams. All of this in a world-class environment, at a world-class university.
